Event Information

You are welcome to attend all or part of this event, which will tell people about the Ayrshire and Arran adult eye care services project. This project has been running for the past year with funding from the Scottish Government. It is intended to help streamline and improve community eye care services for adults and for staff.

The event will inform and involve delegates around visual impairment issues.

Anyone with an interest in visual impairment issues is welcome to attend.

If you are interested in attending the event, please complete the attached booking form by **Monday 2nd March** or register by contacting:
